

Figures 11 and 12. The second alternative is preferred because it eliminates any confusion to the reader caused by the two figures being mirror images of each other.

Accordingly, enclosed is a proposed corrected drawing sheet showing all the corrections to Figure 12 which were submitted in the 6/6/97 Rule 312 Amendment, plus an additional correction to Figure 11 to reverse the direction of the arrows in the section line 12-12. Applicant requests the Examiner's approval of the corrected drawing. The undersigned gratefully acknowledges the Examiner's tentative approval of the corrections in a telephone interview earlier today.

The undersigned would appreciate a telephone call from the Examiner confirming the disposition of the 6/6/97 Rule 312 Amendment and this Supplement to the Rule 312 Amendment before the **6/24/97** due date for payment of the Issue Fee.

Respectfully submitted,
